**STATE WINNERS IN THE DIVERSIFIED AGRICULTURAL PRODUCTION
PROFICIENCY RECOGNIZED AT THE 97th GEORGIA FFA STATE
CONVENTION**

MACON, Ga. – Winners of the Diversified Agricultural Production Proficiency were recognized at the 97th Georgia FFA State Convention held at the Macon Centreplex on April 24-26, 2025.

Gracie Woodward of Alcovy placed first in the proficiency competition. Placing second was Addie Murphree of Early County, and Clay Lawrence of ECI received third place honors.

Proficiency awards are granted to FFA members who have excelled in their Supervised Agricultural Experience (SAE). The Diversified Agricultural Production Proficiency involves activities where students utilize best management practices to produce and market at least one livestock and one crop related product.

The Diversified Agricultural Production Proficiency was sponsored at the state level by Nutrien Ag Solutions.

All proficiency winners received a plaque and a cash award. State winners receive \$100, as well as \$500 travel money to attend the National FFA Convention. Additionally, the advisor of the state winner received \$100 cash. Second place winners received \$50, and third place winners received \$25.

The National FFA Organization, formerly known as the Future Farmers of America, changed its name in 1988 to reflect the growth and diversity of agriculture. There are nearly 940,000 FFA members nationwide. The Georgia Association has more than 80,000 members, making it the third largest Association in the nation. The FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success, through agricultural education.
