**STATE WINNERS IN AGRISCIENCE FAIR PLANT SYSTEMS CATEGORY
RECOGNIZED AT THE 98th GEORGIA FFA STATE CONVENTION**

MACON, Ga. – Winners of the Agriscience Fair Plant Systems Category were recognized at the 98th Georgia FFA State Convention held at the Macon Centreplex on April 22-25, 2025.

In the area of Plant Systems, there was an individual/team named the winner from each of the six divisions. Division 1 winner was Tyce Incaprera of Bonaire Middle. Division 2 winning team was Arden Chitwood and Eleanor Keown of Youth Middle. Division 3 winner was Paisley Ann Barber of Berrien County. Division 4 winning team was Lucas Herman and Brady Veal of Central of Carroll. Division 5 winner was James Wise of Tift County. The Division 6 winners were Savannah Viktora and Ramzey Gulledege of Adairsville.

Students competing in the Agriscience Fair conduct a scientific research project pertaining to the agriculture and food science industry and present their findings to a panel of judges with a visual display and written report.

The Plant Systems Category of the Agriscience Fair was sponsored by the ADM/Golden Peanut & Tree Nuts.

Each winner received a plaque, a \$100 cash award, and \$500 travel money to compete in the National Agriscience Fair at the National FFA Convention. The advisor of each state winner also received a \$100 cash award.

The National FFA Organization, formerly known as the Future Farmers of America, changed its name in 1988 to reflect the growth and diversity of agriculture. There are over 1 Million FFA members nationwide. The Georgia Association has more than 80,000 members, making it the third largest Association in the nation. The FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success, through agricultural education.
